KIB's Young Professional Group

SOLAR

brings together a cross-section of the city's brightest young professionals who share pride for their city, a concern for the environment, and a belief in the importance of bringing different types of people together for the common good. Members believe that action is indispensable to making a difference. Our goal in Indianapolis is to ensure that our peers and the next generation unite people to build community and transform public spaces through aesthetic and environmental improvement.

We hope that you will join us in helping KIB to make Indianapolis a clean and green place to live and work.
