

Recycle and Reuse Locations in Indianapolis

Keep Indianapolis Beautiful maintains the online **Recycle and Reuse Guide** to inform residents of local companies and organizations that accept materials for recycling/reuse. (we do not endorse these companies, but simply provide a listing of companies accepting materials for recycling)

Please remember! It is always more beneficial to **REUSE** items if possible before **RECYCLING** them! Please consider donating any usable items to non-profit organizations like [Goodwill](#), [AMVETS](#), [Salvation Army](#), and [Habitat for Humanity's ReStore](#).

Indicates a *Recycle Indianapolis* drop-off location (City of Indianapolis recycling locations which accept glass, plastics #1 through #7 (no molded foam packaging), steel and aluminum cans, empty aerosol cans and newspapers). [View only Recycle Indianapolis locations »](#)
